معرفی ORCID

شناسه ارکید در واقع یک کد ۱۶ رقمی و انحصاری برای هر نویسنده می باشد. این شناسه برای هر فرد منحصر بفرد و دائمی است. ارکید ابداع شده است تا ابهامات مربوط به نامهای مختلف یک نویسنده را برطرف کند و به آنها کمک کند. محققان و ابداع کنندگان می توانند با استفاده از شناسه ارکید پروفایل مربوط به مقالات چاپ شده، ثبت اختراعات، تحقیقات، گرانت های گرفته شده و ... را تهیه نمایند و رزومه علمی خود را ثبت نمایند. همچنین می توانند به سادگی داده های خود را از پایگاه داده های دیگر مانند Scopus، Researcher ID، و رزومه علمی خود نمایند. به جای ارسال رزومه خود می توانند شناسه ارکید خود را ارسال نمایند تا داوران و افراد دیگر با استفاده از این کد وارد صفحه نویسنده شده و رزومه او را مشاهده نمایند. همچنین امکان تبادل اطلاعات بین این شناسه با Researcher ID نیز وجود دارد. سیستم ارکید طوری طراحی شده است که با ژورنالها و آژانسهای تامین کننده بودجه هماهنگ است. بسیاری از سازمانهای تحقیقاتی و انتشارات سیستم خود را با ارکید یکپارچه کرده اند. شناسه ارکید سریعاً در حال گسترش است و از حامی های مشهور آن می توان به Nature، Science، Elsevier، Springer، و Wiley اشاره نمود.

چگونه در ORCID ثبت نام کنیم؟

ابتدا وارد سایت ارکید شده و بر دکمه ثبت نام کلیک کنید.

Visibility settings

در قسمت ۳ می توانید سه حالت "عمومی"، "محدود شده" و "یا" خصوصی" را برای فعالیت هایتان انتخاب کنید.

ORCID راهنمای ثبت نام جهت اخذ شناسه

Visibility settings

Your ORCID iD connects with your ORCID record that can contain links to your research activities, affiliations, awards, other versions of your name, and more. You control this content and who can see it.

By default, who should be able to see information added to your ORCID Record?

- Everyone** (87% of users choose this)
- Trusted parties** (5% of users choose this)
- Only me** (8% of users choose this)

Notification settings

ORCID sends email notifications about items related to your account, security, and privacy, including requests from ORCID member organizations for permission to update your record, and changes made to your record by those organizations.

You can also choose to receive emails from us about new features and tips for making the most of your ORCID record.

- Please send me quarterly emails about new ORCID features and tips**
To receive these emails, you will also need to verify your primary email address.

After you've registered, you can change your notification settings at any time in the account settings section of your ORCID record.

Terms of Use

- I consent to the privacy policy and terms and conditions of use, including agreeing to my data being processed in the US and being publicly accessible where marked Public.

Register

پس از کلیک کردن دکمه Register صفحه زیر باز می شود: که می توانید مقالات خود را با کلیک کردن بر روی works link از پایگاه داده مورد نظر انتخاب کنید. برای مثال اگر می خواهید مقالات خود را از پایگاه داده scopus وارد کنید بر روی orcid to scopus کلیک نمایید.

Thank you for registering. We have sent verification messages to each of your registered email addresses. You will need to verify your primary email address before you can begin adding information manually to your ORCID record.

LINK WORKS

ORCID has been working with many member organizations to make it easy to connect your ORCID ID, and link information from their records. Choose one of the links wizards to get started.

Airiti

ResearcherID

ResearcherID is a global, multi-disciplinary scholarly research community where members can register for unique identifier, build a profile of their scholarly works, view citation metrics, and search for like-minded researchers.

Scopus to ORCID

Import your Identifier, profile and publications. The wizard helps you find the correct Scopus profile and to confirm your publications. You can then import the identifier and list of publications into ORCID. Any changes you make will be submitted to the Feedback team to update your Scopus profile.

Don't see what you are looking for? You can connect your ORCID ID to many other organizations and sites. See our [Member Integration Page](#) to find more connections.

در صفحه scopus پروفایل مربوط به خود را انتخاب کنید و بر next کلیک کنید .
